GRAND ROUNDS
Via Zoom
6:45am - 7:45am

Lisa A. Taitsman, MD, MPH is a Professor in the Department of Orthopaedic Surgery at the University of Washington in Seattle, WA. Dr. Taitsman received both her undergraduate and medical degrees from Brown University in Providence, RI. She earned her Masters in Public Health from Harvard University. She completed her residency in orthopaedic surgery at the Harvard Combined Orthopaedic Program, followed by a fellowship in orthopaedic trauma at Harborview Medical Center in Seattle Washington.

Currently, Dr. Taitsman is a Director for the American Board of Orthopaedic Surgery (ABOS), where she chairs the Graduate Medical Education Committee and serves as the Vice Chair of the Maintenance of Certification Committee. She has held many leadership roles for national and regional organizations. Her scholarly contributions include many peer reviewed articles, textbook chapters, and national and international presentations. She has received awards for teaching and patient care. Dr. Taitsman specializes in orthopaedic trauma at one of the busiest level I trauma centers in the country.
